

## *A Program Designed to Safeguard Nonprofits*

UST is dedicated to helping nonprofits ensure compliance and protect assets by offering the latest HR resources and unemployment claims management tools. In addition to these workforce solutions, UST offers a fully insured program, call **UST Secure**—providing full coverage for claims within the year as well as access to expert claims advice and HR services.

### ▶ **What is UST Secure?**

UST Secure provides nonprofit organizations access to the following services:

- ▶ **Unemployment Insurance with No Deductible**
- ▶ **Live HR Hotline & Employee Handbook Builder**
- ▶ **Claims Management Resources**
- ▶ **Local Unemployment Hearing Representation**
- ▶ **HR Compliance Library and Training Tools**
- ▶ **Outplacement & Career Transition Services**

### ▶ **Asset Protection & Savings**

Already working with more than 2,200 nonprofit participants from across the nation, UST aims to provide nonprofit organizations with workforce solutions that reduce costs and strengthen their missions. Since no nonprofit employer is alike, UST Secure is a unique program created in partnership with Ohio Indemnity Company to deliver an insurance solution specifically for 501(c)(3) employers.

UST Secure helps reduce overhead costs, while providing ongoing protection and peace of mind. UST Secure can offer financial relief to its members through ongoing administrative support, financial guidance and expert HR resources.

### ▶ **Tailored to Your Nonprofit's Needs**

While unemployment claims are unavoidable, UST Secure allows you to maintain control of your unemployment funding—protecting your assets and cash flow from unexpected volatility. Your annual fee will be customized based on your organization's annual wages and experience with unemployment claims—protecting you from a shared risk or share expense.
